**SUBJECT : GUIDANCE ON THE CONDUCT OF SWDI TOOL TO FORMER
REBELS WHO ARE 4PS BENEFICIARIES, AND NON-4PS
BENEFICIARIES BUT RECEIVED LIVELIHOOD SETTLEMENT
GRANTS**

DATE : 11 NOVEMBER 2022

This has reference to Memoranda dated 23 May and 22 June 2022 regarding the administration of Social Welfare and Development Indicator (SWDI) Tool to former rebels (FRs) who are 4Ps beneficiaries, and non-4Ps beneficiary but received livelihood settlement grants (LSG).

Last October, the office of the undersigned requested the Field Offices (FOs) to submit the results of the SWDI tool conducted to FRs who are non-4Ps beneficiaries but received LSG. However, with the ongoing validation of poor and non-poor households by the 4Ps Regional Program Management Offices, most Executive Order No. 70 (EO 70) focal persons were underequipped to administer said tool. Hence, almost all the FOs were not able to conduct SWDI assessment to FRs who are non-4Ps beneficiaries but received LSG.

With this, the office of the undersigned no longer requests the administration of the tool to non-4Ps beneficiaries. Although, the following FOs are requested to submit the results of SWDI tool of the current FRs enrolled in 4Ps:

Field Office	No. of FRs enrolled in 4Ps
CAR	42
I	13
IV-MIMAROPA	48
VII	4
VIII	59

XI	92
XII	125
Total	383
